## IT'S ABOUT THE FOOD:

We believe food shouldn't be prepared with chemicals and preservatives so we strive to serve only organic produce.

Because our food is free of hormones and antibiotics, it truly comes straight from the farm to your plate.

## IT'S ABOUT YOU:

Our menu is constantly evolving to meet customer suggestions. We have regular dishes that can be ordered both vegetarian and vegan.

Our hope is to expose you to a new way of eating.

Our diner is a place where anyone can come eat food they know comes from the community and is prepared with care and the customer in mind.

We hope our customers enjoy eating our food as much as we enjoy cooking it!

We are located at the fork in the road at W. Saginaw and Oakland.

## HOURS:

Tuesday - Saturday 11 am- 9 pm  
Sunday 10 am- 2pm

Trailer Park'd is our mobile eatery with its own spin on diner food that is in operation from late March to the end of October.

We serve gourmet dishes without any of the artificial preservatives or fillers of typical fast food.

WE'LL BE OPEN WHEN THE SNOW CLEARS!
